Add Sales page – Product Details

The screenshot shows a web application interface for adding sales. On the left is a purple sidebar with navigation links: Products, Services, Complaints, and Customers. The main area contains a form with fields for Customer Name, Customer Address, and Billing Date. Below these is a table with columns: Product, Price(Rs.), Quantity, Discount(Rs.), GST(%), Total-Amount(Rs.), and Action. The first row of the table has 'ALTIS' selected in the Product dropdown, with a price of 10500 and a GST of 12. A dropdown menu is open below the Product column, listing various product names with 'ALTIS' highlighted. Annotations with red arrows point to the '+' icon in the sidebar, the Product dropdown, the Price and GST fields, the Total-Amount field, and the delete icon in the Action column.
